Instrumentation

Solenoid Valves, Pneumatic Controls and Filter Regulators

Teflon fittings, valves, tubing, pipe, regulators, measurement & tanks

NT International

Entegris Electronic flow meters and pressure transducers for measurement and control of UHP chemicals

Pressure regulators and valves for gas cylinder applications.

Digital, Analog Pressure Gauges, Thermometers, Switches and Diaphragm Seals

Alok/CPI, SS & Brass Tube Fittings and Valves

Magnetic, Vortex, Ultrasonic and Propeller type Flow Meters

Pressure and Temperature Switches

Pressure and Flow Switches, double blow and bleed valves

Leading supplier of gas purifiers for bulk gas and point of use specialty gas applications

Durable and stall proof Diaphragm Pumps & Dampeners for high purity and industrial applications

High purity gauges, HP Transducers, Gas Cylinder scales, indicating pressure switches & diaphragm seals. Thermometers
